Sydney Opera House

Property Auctions

8 November 2010

This is a first. Eleven of the finest properties on the east coast of Australia, penthouses to prestigious rural holdings, all set to go under the hammer in the iconic Sydney Opera House.

An event of this calibre has not been seen before - but certainly will be seen again.

We're thrilled to offer these listings in a venue befitting their class and we have plans to continue holding Ray White Luxury Auctions biannually - in March and November into the future.

If you have an interest, I invite you to attend the auctions on the evening of November 8 in the Studio at Sydney Opera House.

On this page you will see a list of nearly 800 Ray White offices servicing much of Australia and New Zealand. With more than 140,000 properties offered for sale each year, we have the widest selection of real estate of any group in Australasia.

Our culture is one of performance, which is why we have been responsible for so many of the record prices throughout Australasia.

Enjoy this feature and I hope to see you on November 8.
