Ray White is pleased to confirm the 2011 Franchise Owners Symposium will be held at the Heritage Hotel in Queenstown on the 7th and 8th of September 2011.

The objective of the Symposium is to relay our strategy as to how we would have achieved it if we were in 2016. This will be supported by a series of questions which will invite in-depth discussion on the core values of Ray White New Zealand.

Together with this, the Symposium will provide for a message of opportunity. John Wall together with Steven D'Souza will provide keynote addresses on what they have done in their own personal businesses and how they have taken them to market leadership in their respective fields. Other sessions that will feature over the two days include 'The Great Debate' which will be focused on the value of online versus print media; property management initiatives; market share curiosity together with a session on creative tension.
