

General Agency

- All agents list it - but none take responsibility.
- Agents ignore and won't work towards a premium price - the longest days on market and lowest success rate (refer graph page 6).
- This indifference leaves you 'high and dry'.
- Finally, a big price reduction means you sell for less than the right price.

General agency

- All agents list it — but none take responsibility
- Agents ignore and won't work towards a premium price — the longest days on market and lowest success rate (refer graph page 12)
- This indifference leaves you 'high and dry'
- Finally, a big price reduction means you sell for less than the right price
